JOHNSON COUNTY STYLE SHOW RULES

1. To be eligible to compete in the State Fair Fashion Show, the contestant must participate in the County Preliminary Judging or be approved by the County Extension Office.
2. The contests for Divisions I through III are for nonprofessionals. Division IV is for the Professional.
3. Garments modeled must have been completed by the contestant after September 1 of the previous year.
4. State contestants must model the same garment which won at the county show. If desired, the accessories may be changed or workmanship improved. The contestant must model his/her own garment – someone else cannot take his/her place at the state judging.
5. Contestants may enter in only one category at the state level. Contestants may enter as many categories as desired at the county level. If contestants win in more than one category, the contestants must choose which category they wish to model in at state level. The second place winner would then be eligible to compete in state contest.
6. Garments to be worn in the judging and style show can also be exhibited in the Johnson County Open Class Consumer and Family Science Fair Exhibits.
7. Concerning SEWING FOR OTHERS/CHILDREN'S GARMENTS/TEEN'S GARMENT and WEDDING GOWN categories, seamstress must enter the age division or professional division in which she/he (seamstress) falls. The seamstress must be present for official judging and the public fashion show presentation. The award will be made to the seamstress.
